A NOTE FROM OUR EXECUTIVE DIRECTOR

When I'm in a new town, I always look for the "hidden gems" – those unique places to eat or things to see while I'm there. Every community has them, and I love to find them.

RCYS is one of those "hidden gems". We are not the biggest or flashiest agency. But we are one of a kind and what we offer is truly remarkable. Consider this – RCYS has twelve therapists specializing in occupational therapy to treating trauma. We have eight prevention specialists that make a huge difference in our county school systems. Our UTurn program has a remarkable record of success with students with long-term suspensions. And every service is provided free of charge. In my book, that qualifies as a diamond of a hidden gem.

Thanks for taking the time to get to know RCYS better. I look forward to sharing more with you about the impact we are having in Rogers County.

Amber Graduated from Perry High School. She received a Bachelor's in Psychology with Minor in Family and Community Service from OBU and her Master's in Counseling from JBU. She is under supervision to become an LPC.

"My work over the years has primarily been with children ages preschool through sixth grade at school, camp, and church settings."
